

Lohmann Stolterfoht (Bosch Rexroth)

Type GPV305/S1

Product n°1008653

Year 2002

Weight 4 000KG

Power in put 850KW

Speed in Put 25,8 T/MIN

Ratio 61.74

Lub. class CLP320 155 Liters

**Suitable wind turbine:**

- **V52,**
- **G52,**
- **G58**

## **Warranty**

All our work scopes are designed and aimed to meet an expected lifetime of the components as originally defined by the OEM and subsequent reparability as planned.

The total warranty period of Maintenance Partners is 12 months after delivery of the goods or services or 6 months after operation start up.

The offer is not binding and based on Maintenance Partners General Conditions of Sale and Supply.
